The University of Georgia’s increase in federal research funding is accelerating our drive for discovery. Our new hiring initiatives are hastening esteemed faculty and staff—and their world-class research and scholarship—to our doorstep. And our student scholarships are fueling the momentum of Georgia’s most promising people. Our commitment to academic excellence means that UGA’s students and scholars don’t just strive—we thrive. Top students and faculty are drawn to Georgia. Regarded as one of the most prestigious awards in the world, UGA has had more Rhodes Scholars in the past 20 years than all but two rivals.

Research funding is the academic engine that propels UGA forward. We draw distinction thanks to research dollars that have grown 21 percent over the past two years, and 35 percent over the past three.

We bring brilliance to Athens. Our new initiative to attract, hire and retain world-class researchers and scholars accelerates our commitment to excellence—and opportunity.

The University of Georgia continues to excel in national rankings, research endeavors, and program offerings. For five consecutive years, UGA has enrolled record-breaking first-year classes. Fall 2017 welcomed a class with an average GPA of 4.0, average SAT score of 1344 and average ACT score of 30.

Among public universities, UGA is one of the nation’s top three producers of Rhodes Scholars over the past two decades. Research expenditures continue to grow—21 percent growth over the past two years and 35 percent growth over the past three years.

Center for Undergraduate Research Opportunities (CURO) offers faculty-led research for all majors.

Among public universities, UGA is one of the nation’s top three producers of Rhodes Scholars over the past two decades. Research expenditures continue to grow—21 percent growth over the past two years and 35 percent growth over the past three years.

Top five U.S. university in research-based products with more than 600 products in the marketplace.

The largest university to offer experiential learning opportunities for all undergraduate students.

Entrepreneurship certificate

Small-Class Initiatives means more faculty to give one-on-one instruction similar to a private institution.
